

Oakfield Township Firefighters Auxiliary Commission
Regular Meeting
May 15, 2017

Call to Order: Amy's father is in the hospital, so she can't attend. She asked that we have the meeting via emails, since there wasn't much to discuss.

Roll call: Amy Delp, Faith Fraser and Molly Seekamp

Regrets : None

Approval of Minutes: The minutes from the February meeting were approved, via email.

Financial report: Molly reported that there is currently \$2220.07 in our account. This is after the Mother's Day fundraiser monies have been turned in and the bill paid.

Old Business:

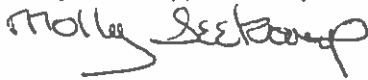

- A. Mother's Day Fundraiser – We sold a total of 58 basket, up from last year's 44, at a cost of 591.20. That includes delivery. That gives us a profit of 278.80. Great job, everyone.

New Business:

- A. Possible fundraiser ideas – Mum sale in September. Cost per plant is \$3.40. We could retail them at \$6.00, giving us a profit of \$2.20 per plant. Amy would like to take this on. Molly will get her the info to her as soon as it becomes available. Faith would like to try the chili cook-off again and has offered to chair this event. The entrance fees were too high last time. Faith will begin planning it for the winter.
- B. Halloween Open House – The response last year wasn't as good as it has been in the past. Maybe there wasn't enough advertising. We will look at different ways of getting the word out. The hours are usually 6 – 8 pm. Let's ask for candy donations to help keep our costs down.

Meeting adjourned 6:40

Respectfully submitted,
Molly Seekamp, Secretary

Amy Delp, President

Faith Fraser, Trustee
