Absent:

Guests:

Approval of Minutes

Marla Platt made a motion to approve the regular meeting minutes of December 16th, 2014. Gary Olger supported. The motion carried on a voice vote of 7-0.

Township Board Report (Roger Mason)

The Township is already seeing positive results from their earlier decision to upgrade the fire chief position from part-time to a full-time status. The Board is considering upgrading the current rescue rig and a decision is pending. The Board recently hired a new fireman, a Sand Lake police officer who is also trained as an EMT and a firefighter. The Fire Department has experienced a high turnover of firefighter personnel. This is proving costly in terms of lost training dollars. The Board is considering drafting a contract for all new hires in an effort to promote longevity and reduce employee turnover.

Building permits are on the increase with four new home construction permits as well as other construction permits.

Podunk Road is temporarily closed due to a sinkhole.
