Financial report: Molly reported that there is currently \$1900 - 2000 in our account.

Old Business:

- A. Mum Sale Fundraiser – We sold a total of 51 plants, at a cost of 173.40. That gives us a profit of 132.60. Great job, everyone.
- B. Blood Drive – We had 17 attend, with 16 donations. Our goal was 15 units. A successful drive! Molly is will to take on 4 blood drives per year and will set them up with Michigan Blood.
- C. Chili Cook Off – Faith will be in charge of this event. January 13, 4-7 PM. \$10 entry fee.

New Business:

- A. Fundraisers– It was suggested that we only do the spring flower basket sale, giving up the Mum Sale. Faith will take over heading up this sale.
- B. Halloween Open House –Christine will take over this event. She will check into donation/discount on cider and donuts. Faith will pick up supplies. Molly will talk to Sam about having the information posted on the outdoor sign and on Facebook.
- C. Adult Foster Care Christmas – Molly will get contact information from Sam and organize the purchase of gifts items.
- D. Uniform shirts – There are quite a few new firefighters who are in need of uniform shirts. It was suggested that the Auxiliary look at purchasing \$35.00 gift certificates for the firefighters for the purchase of shirts. Molly will talk to Sam. It is felt that only the firefighters who participate in the fundraisers and activities should receive the gift certificates. No action was taken on this.
- E. Election of Officers – It wasn't clear to us if we needed to have an election of officers, since President Amy Delp had resigned and Christine Ross had come on to the Auxiliary. Molly was willing to continue as secretary. Faith stated she would be president and Christine would prefer to be a trustee until she had been part of the Auxiliary for a longer period of time.

Meeting adjourned 6:59 PM
