

OAKFIELD TOWNSHIP
SCRAM LAKE SEWER SYSTEM INFORMATIONAL MEETING
May 3, 2023

CALL TO ORDER:

An Informational meeting at the Oakfield Township Hall held on May 3, 2023 at 10300 14 Mile Road, Rockford, MI., was called to order at 7:00 PM

Present were: Greg Dean, Betsy Koett, Sue Trainer, Mike & Blair from F&V

PURPOSE OF MEETING:

The purpose of this meeting was to conduct a public informational hearing and inform the Scram Lake residents of an increase to the quarterly fees charged to the residents in order to pay for future repairs needed to the lake's sewer system. Also to inform the residents that ARPA funds will be used to repair the current drain field problems, if approved by the Board of Trustees at the May meeting.

Dean presented and went over the information regarding the sewer system issues and the proposed estimate from F&V to repair the system.
Discussion by lake residents and F&V representatives.

There being no further questions, the meeting adjourned at 8:00 PM.
