OAKFIELD TOWNSHIP HISTORICAL COMMISSION

Oakfield Township

20 JUNE 2019

The meeting was called to order at 10:00 by secretary, Sharon Bouck in the absence of president Steve Tower and First Vice Ray Tower. Since only three township members were present Clair Bouck, Sharon Bouck, and Ed Jackson, we were limited in the number of actions which could be taken. The April Commission minutes were distributed but could not be approved until the August meeting. The township holds a balance of \$3147.09 in our account plus \$87.83 in available cash.

In unfinished business, Judy Gager reported on the Tri River meeting, C.Bouck reported Amo Hudson is available to wash the building at E.Jackson's convenience, J.Gager updated on the Halfway Restaurant's attempt to start a bimonthly craft show, A.Jackson wishes to remain on the Commission board, and the next step in contacting township residents concerning interest in membership was taken. J.Gager will compose a introductory letter, S.Bouck will get envelopes and stamps, and at the July meeting they will be addressed and mailed.

In new business, a reminder of those needing to renew their oaths in August . . . Alice Jackson Ed Jackson, and Carolyn Balko.

The meeting was adjourned at 11:20am.
